Join us in Soho or The City this Christmas for an evening of fun with games, bespoke drinks and festive treats whilst listening to a live DJ all evening. Both of our venues can be hired privately or separated into smaller areas for smaller groups who are happy to enjoy the festivities with other corporate bookings. Our dedicated events team are on hand to ensure your night is planned to perfection with various styles of party on offer. Pitch is London's exciting and innovative modern golf experience where everyone is welcome and games are designed to level the playing field.

Exclusive Hire Options

The most popular Christmas booking option is to hire either of our clubs on an exclusive basis with variable rates applicable depending on the desired day and time.

Prices shown are for off peak bookings (left) and for peak bookings (right). Peak bookings are regarded as Wednesday and Thursday from 5pm until close and begin on November 23rd through until Christmas Eve.

Whilst the City venue is smaller, Soho can be divided into two areas and therefore has a price point for the Clubhouse only or for full venue hire. It is recommended for the avoidance of doubt to check with our events team who will advise on the best options depending on your party size and budget.
