# Pitch Wharf

Pitch Wharf was built with hosting spectacular events all year around in mind. Overlooking the Canal and spread across two distinct floors, your guests can enjoy a night to remember where a little competitive fun meets a lot of style and sophistication.

The main floor (shown on pages 1-2) features a panoramic view of The Wharf, 11 simulator bays, a huge bar and a sprawling lounge with live DJ as requested.

The huge windows are a feature which our guests love and allow attendees to enjoy a rare mix of gaming with sunlight throughout. For very large groups the downstairs bar with outdoor terrace and shuffle area can also be hired to create a blockbuster experience.

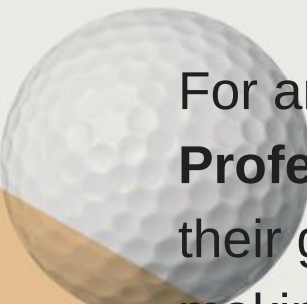

# Our Games

Experience the modern way to play golf with **virtual games** like Party Putt, Cannon Bowl, and Streets of Neon. Perfect for all skill levels, Trackman games offer challenges from precision tasks to fun showdowns like closest to the pin.

Elevate your event at Pitch with full or half-venue hire, offering activities like **shuffleboard**, **roulette**, **Nintendo Switch** or even casino corner which is always a popular option.

For an added touch, enjoy expert coaching from our **PGA Professionals**—perfect for beginners or those looking to refine their game. Custom arcade games are also available on request, making it ideal for mixed-ability groups.

# Shuffleboard

Alongside our interactive bays and vibrant social spaces, Pitch Wharf is levelling up with the addition of **three shuffleboard tables!**

This exciting new addition brings more ways to compete, connect, and unwind. Perfect for elevating your events, shuffleboard adds a unique blend of strategy and social play to any occasion.
