Pitch Wharf

Ground Floor - Main bar area

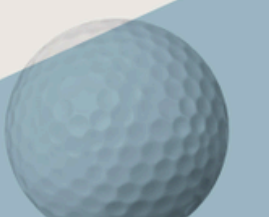

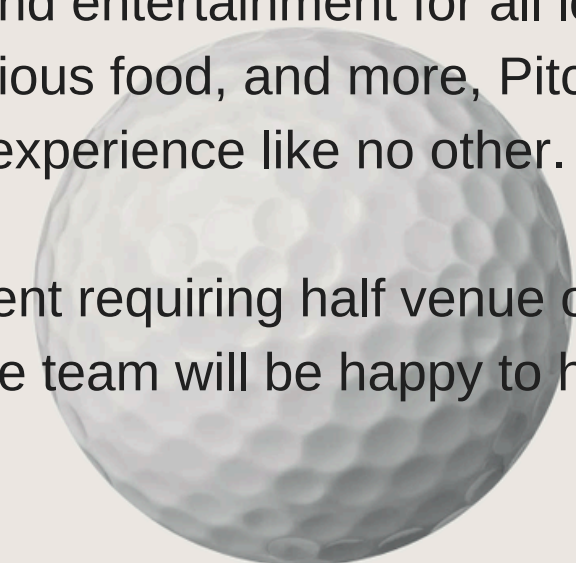

Pitch Wharf

Pitch Wharf is a truly multifunctional space, complete with an outdoor terrace, making it the ideal venue for events of all sizes. Our sophisticated venue provides a canvas to design and host a variety of events for up to 400 people.

With a range of add-on activities and entertainment for all levels, alongside tempting cocktails, delicious food, and more, Pitch Wharf offers a **competitive socialising** experience like no other.

If you're looking to organise an event requiring half venue or exclusive hire, enquire now and the team will be happy to help design your night.

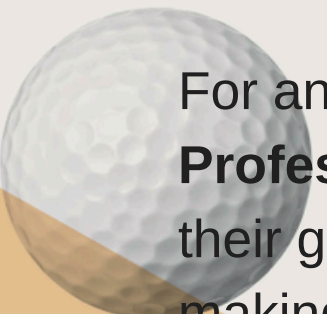

Our Games

Experience the modern way to play golf with **virtual games** like Party Putt, Cannon Bowl, and Streets of Neon. Perfect for all skill levels, Trackman games offer challenges from precision tasks to fun showdowns like closest to the pin.

Elevate your event at Pitch with full or half-venue hire, offering activities like **shuffleboard**, **roulette**, **Nintendo Switch** on a 3m screen, and more.

For an added touch, enjoy expert coaching from our **PGA Professionals**—perfect for beginners or those looking to refine their game. Custom arcade games are also available on request, making it ideal for mixed-ability groups.

Shuffleboard

Alongside our interactive bays and vibrant social spaces, Pitch Wharf is levelling up with the addition of **three shuffleboard tables!**

This exciting new addition brings more ways to compete, connect, and unwind. Perfect for elevating your events, shuffleboard adds a unique blend of strategy and social play to any occasion.

Employee Wellbeing and Rewards

At Pitch Wharf, we offer a fresh alternative to traditional golf course events. Whether it's a team-building day, company party, product showcase or client event, we deliver a memorable experience that's enjoyable for everyone.

Prioritising employee well-being benefits both you and your team, reducing stress and fostering a positive work environment for employees to thrive together. Our unique activities and dynamic space make it an ideal setting for this.

Food & Drink

Designed exclusively for Pitch, our menu includes Asian infused dishes which have been curated by the ex-head chef of the Ivy Steve Tonkin. When mixed with delicious cocktails, Japanese lager and a very modern wine list, your guests will be spoilt for choice.
